**Parental Request/Permission to Have Medication Administered in School**

If it is necessary for your child to receive medication during the school day, please do the following:

- Medication must be brought to school by a parent, guardian or other responsible adult
- Send the medication in the original container. If a prescription, the container must be properly labeled with correct name, time, dose, date, and prescribing licensed healthcare provider.
- Count the tablets (unless the number of tablets is the exact number on the label) or approximate amount of liquid in the bottle.
- Pick up the medication from school at the end of the school year.

I am aware that the school nurse may need to contact the prescribing healthcare provider or pharmacist relative to the medication/treatment and that he/she is required to use nursing judgment regarding all medication administration. I give my permission for medication administration by the school nurse.
