Happy Valentine's Day

This is a proud moment for Mr. Batty's KCCS/CMS inclusion team. Student William Blumhorst was one of ten students in the entire school (roughly 1000 students) to score high enough to qualify for the

## SENATORS

### Capital News

Capital School District is reaching out to all 2019-2020 Pre-K to 6th grade parents for an informational meeting on a program that we are implementing for next year.

The B.E.S.M.A.R.T. program offers personal safety programs to all schools throughout Delaware. Programs are conducted in a classroom, are multi-session, and range from 30-45 minutes per session.

All programs cover good and bad touches, safe people and safety rules and include interactive activities.

The district is hosting two presentations, one in the district office and one at Hartly Elementary, and we invite you to hear a presentation and review the curricular materials that will be used with your child.

Senator prizes will be given! Hope to see you!

## JANUARY STUDENT OF THE MONTH

### WALKER DAVENPORT - Ms. Allyson Roxby - Pre-K at Main Site

Mrs. Roxby's Class is proud to have Walker Davenport as the Student of the Month! Walker has begun using his pecs book to request items in the classroom and at home. He has also used pictures from the individual student schedules to request to go places! He especially likes to ask to go to the pool since it's one of his favorite activities. Walker has been able to participate in a variety of table activities with less help sometimes! He has also been responding to more verbal directions. We have also heard Walker trying to say some words, which is AWESOME!! Walker was also able to engage a little with our special visitors at KCCS this month—he even made it into the Delaware State News with his big grin!

### JUSTEN MARTIN - Ms. Katie Horner - 3rd Grade at Main Site

Justen Martin is Ms. Katie's Student of the Month for January! Justen has blended into our class wonderfully. Justen has a pleasant attitude and brings joy to his peers and classroom staff. Justen loves to listen to music and dance. Justen has been working on grasping touching items and understanding cause and effect. WAY TO GO, JUSTEN!

## POLYTECH HIGH SCHOOL VOLUNTEERS

From October through January Ms. Flournoy's class was lucky enough to have two volunteers from Polytech High School, Lillian and Caitlin. Lillian and Caitlin are currently pursuing the Early Childhood pathway at Polytech and was volunteering to earn their required credit hours. These two young ladies visited 3-4 days a week. While with our students both Lillian and Caitlin jumped right in and stayed engaged with our group! Both ladies formed bonds with Nathan, dancing, jumping and swinging; Nathan just loved playing with them! Lillian and Lyneah became fast friends; Lillian would read stories and work closely with Lyneah during specials. Delanie especially enjoyed the volunteers as well. Caitlin danced and rocked with Delanie often! Kenny seemed very fond of the girls; Caitlin enjoyed swinging with Kenny on the playground. Both Lillian and Caitlin played many games with the "Jeremy's"! Lillian and Caitlin will be sorely missed in our room! We'd like to send a shout out to Polytech High School for sending such hardworking volunteers to KCCS! -Ms. Joanna Flournoy, Special Education Teacher
